Q15 What if I'm using my Taylor's Foundation / Diploma forecast result to apply for a Bachelor Degree Programme but my Actual Result does not meet the Entry Requirement. What do I need to do?

A **Scenario 1: Failed and need to re-sit for 1 Module(s)**

You may come in with Tourist Pass, take the exam and exit Malaysia thereafter. If you passed the exam, you may continue to progress into the Bachelor Programme, once the eVAL is approved and released by EMGS. You may then come in with eVAL and SEV in hand (refer to Q13-15 above).

A

Scenario 2: Failed and need to repeat the Semester

The eVAL Application for the Bachelor Programme that is currently in progress will be forfeited and cancelled, and you will have to reapply a new eVAL for the previous Foundation / Diploma Programme. You will need to resubmit payment and documents to restart the entire eVAL process. It is against the law to allow you to use a Bachelor Programme's Student Pass to commence classes for a Foundation / Diploma Programme. Thus, you can only commence classes for the Foundation / Diploma Programme after the eVAL for the Foundation / Diploma Programme is approved and released. If your Forecast Result is at the borderline of entry to the Bachelor Programme, it is advisable that you wait for the Actual Result before applying for the Bachelor Programme to avoid a further delay in both your Foundation / Diploma & Bachelor programme commencement.

Q16

I've decided to change to another programme again while my eVAL application is still in progress, can I request to amend the eVAL application to the new programme so that I do not have to pay the eVAL application fees again?

A

No, the Visa Application Fees has been utilized for the eVAL Application for the initial programme, and EMGS fees made is not refundable / transferable. You will need to resubmit payment and documents to restart the entire eVAL process.

IMPORTANT NOTE: You are only allowed to change programme ONCE while you are studying in Taylor's.

Q17

If I still have other queries, who should I contact?

A

If it's about your enrolment of progression programme, please write to progression@taylors.edu.my

A

If it's about your eVAL application, please write to internationaloffice@taylors.edu.my
