WELCOME TO MALAYSIA

Malaysia, located in Southeast Asia, is comprised of **ECONOMY** Peninsular Malaysia and East Malaysia (sometimes referred to as North Borneo). The peninsular is bordered by Thailand in the north, and Singapore in the south, while East Malaysia is bordered by the South China Sea and Indonesia in the south. It is home to a few UNESCO World Heritage Sites and national parks, and not forgetting the world's tallest free-standing twin towers, the Petronas Twin Towers located right in the heart of the capital city, Kuala Lumpur. It is also home to one of the highest mountains in Southeast Asia, the famous Mount Kinabalu.

Malaysia is a multi-ethnic, multicultural and multilingual society, consisting of approximately of 69.8% Malays, 22.4% Chinese, 6.8% Indians and other indigenous tribes. Bahasa Malaysia is the national language but English, Mandarin and to a lesser degree, Tamil, is widely spoken and used especially in the business and commercial sectors. Islam, the official religion, is the religion of the Malay majority but every Malaysian is free to practice his religion of choice. As such, churches, temples and mosques are a common sight throughout the country.

From an agriculture-based economy, Malaysia is today one of Asia's fastest growing industrialised nations. Blessed with natural beauty and a host of natural resources such as petroleum, natural gas, tin, and rich, fertile soil for rubber and palm oil cultivation, Malaysia enjoys a stable and growing economy. Through the years, the ruling coalition with representatives from all its major races have created a solid political background, enabling Malaysia to enjoy a steady progress, both in economic development and rising standards of living.

MONEY

The Malaysian currency is known as "Ringgit Malaysia", written as RM. RM1 = 100 sen (also referred to as "cents"). Coins are available in denominations of 5, 10, 20 and 50 sen. Bank notes are available in RM1, RM5, RM10, RM20, RM50 and RM100 denominations.

LIVING EXPENSES

To ensure that you get the most out of your experience in Malaysia, it is important to maintain a reasonable budget for your living expenses for the entire time you are here in Malaysia as a student. The cost of living in Malaysia is relatively economical. A student's monthly expenditure on average is shown as below, calculated on the basis of the student staying on campus:

EXPENSES	COST (RM) / MONTH	COST (USD) / MONTH
ACCOMMODATION*	1,200-1,800	300-450
F00D**	1,000-1,200	250-300
OTHER LIVING EXPENSES**	400-600	100-150
TOTAL	2,600-3,600	650-900

^{*}Depending on location, type, facilities **Depending on student's lifestyle Note: USD1 = RM4 (approximately)
