NOTE:

- **Mapped modules are subject to changes and availability at the host university. You will need to get your Programme Director to re-map any modules that are not listed in the approved mapped modules. Student may be required to extend a semester (delay in graduation) / overload in their final year for credits that are not transferred after their student exchange programme.**
- **Pre-selection is subject to first-come-first served basis and seats availability at the host university. Students are encouraged to apply as early as possible. However, you may / may not be pre-selected to your 1st host university preference.**

1.5 ECTS = 1 TU Credit (6 ECTS = 4 TU credits)

12 ACTS = 7.5 ECTS (5 TU Credits)
