VICE CHANCELLOR & PRESIDENT'S MESSAGE

The world post-pandemic has undergone an accelerated digital transformation that has impacted the way we work, live, learn and play. It has not only opened our minds to many possibilities in the education space, but also the awareness that the nature of our jobs and workforce demands are rapidly changing.

In response to this need for upskilling, reskilling as well as flexibility, we are committed to providing unparalleled opportunities for students through diverse study options, innovative approaches to curriculum and learning and teaching, and partnerships with leading international universities and household name industry partners.

Our online postgraduate programmes provide students the opportunity to earn a postgraduate certification from an elite institution ranked as the top private university in Southeast Asia in the QS World University Rankings 2023, placing us among some of the most influential institutions globally. Additionally, Taylor's is also one of few Asian universities awarded the QS 5 Stars rating for Online Learning, a testament to the institution's direction in its teaching and learning approach.

Designed to engage and maximise the learning of the user, our interactive and user-friendly online learning platform utilises nano-learning to keep students motivated and on-track. Students will be empowered to take charge of their own learning in their own space and time, whilst having the opportunity to interact with academics and peers virtually.

In an era where continuous learning is critical to success, we encourage you to reach for your goals and acquire new knowledge and skills. We look forward to helping you achieve your education and career ambitions through quality 100% Online Postgraduate Programmes.

With very best wishes,

Professor Michael Driscoll
*Vice Chancellor and President
of Taylor's University*

TAYLOR'S UNIVERSITY

Taylor's Education Group is a pioneer in private education in Malaysia and the surrounding region. Under its Higher Education Division, it owns and operates some of the most premium private education institutions in the region. Currently these comprise Taylor's University, Taylor's College, and the British University Vietnam. These institutions are committed to providing unparalleled opportunities for students through diverse study options, innovative approaches to curriculum and learning and teaching, partnerships with leading international universities and household name industry partners, and state-of-the-art campuses.

Taylor's University offers a myriad of courses in tertiary education, from diploma, to degree, post-graduate and professional programmes. Students can choose to enrol in courses encompassing fields such as Architecture, Business, Computing & IT, Culinary Arts, Design, Education, Engineering, Food Science, Food Studies

Gastronomy, Hospitality, Tourism & Events, Law, Medicine, Pharmacy, Psychology, Performing Arts, Quantity Surveying and Social Sciences.

Taylor's University is the #1 private university in Southeast Asia, ranked #284 in the 2023 QS World University Rankings. This ranking places it among the top 1% of the world's universities. In addition, it is one of Asia's Top 50 universities, based on the 2023 QS Asia University Rankings.

Taylor's University also comes in at #49 in the 2021 edition of the QS Top 50 under 50 World University Rankings, which ranks the world's best young universities under 50 years old. This is yet another remarkable honour, as Taylor's is the top and only Malaysian private university in the listing.

Taylor's is a top-performing institution in graduate employability, ranked #16 for Graduate Employment Rate and #101 for Employer Reputation (2022 QS Graduate Employability Rankings), placing it in the top 1% of tertiary institutions worldwide preferred by employers. Its strong ties with industry partners provide students with valuable professional exposure, ensuring that they enter the workforce with relevant skills.

Taylor's University is also ranked World #17 and #1 in Malaysia & Southeast Asia for Hospitality & Leisure Management, as well as World Top 100 for Business & Management Studies, making Taylor's Business School the top private business school in Malaysia & Southeast Asia based on the 2023 QS World University Rankings by Subject.

In the same QS Ranking, the university is recognised as the #1 private university in Southeast Asia for Accounting & Finance, Architecture & Built Environment, Economics & Econometrics, and Social

Sciences & Management, and the #1 private university in Malaysia for Arts & Humanities, Computer Science & Information Systems, Communication & Media Studies, and Education & Training.

Taylor's University continues to play a strong role in developing Malaysia's human resource capital, and boasts a 100,000-strong alumni, many of whom have become leaders in their respective fields.

WHY TAYLOR'S ONLINE LEARNING

WORK-LIFE-STUDY BALANCE

Adapt your learning to your unique life routine not the other way round. Enjoy privileges of flexibility and accessibility with 100% online learning, nano topics, content that is custom-made, diversified, and designed at the appropriate level for you to study in autonomy with minimum guidance needed, convenient resources and more. You don't have to attend any classes at a defined time – all you need is access to the internet.

GLOBAL RECOGNITION

Taylor's University is among the world's Top 1% universities in Employer Reputation and Malaysia's leading private university in the QS Graduate Employability Rankings 2022, ranking 16th in the world for the Graduate Employment Rate indicator. As a leading global institution, Taylor's also gives you access to an extensive network of industry partners in Asia, for an in-depth understanding of Asian markets from the region's experts.

CONVENIENCE

Watch, read, and interact with the learning content at any time or place. You can pause, rewind, and pin content, or connect with your peers to discuss and interact. Become part of Taylor's family with unique networking opportunities, online events, and webinars.

STRONG SUPPORT

Live Q&A sessions are held weekly, recorded, and shared with all students should they be unable to attend. All students also get access to Taylor's extensive online library resources to enrich their learning as well as our student portal for ICT support, General Enquiry, payment of fees, as well as personal counselling.

QUALITY

Our content is fully crafted and designed for full online learning, leveraging on Taylor's expertise in e-learning. Taylor's is also one of few Asian universities awarded the QS 5 Stars rating for Online Learning, demonstrated through all our teaching resources and activities, designed to be engaging and effective with minimum guidance needed.

SUCCESS FACILITATORS

If additional academic support is needed, our learning facilitators are just one click away to help you in your study and learning journey. Reach out to them to clarify any matter on the content or book a discussion session for more personalised support.

1 Do all students have access to the learning facilitators?
Yes. As an online student, you will benefit from the support of learning facilitators throughout the entire programme. You will be able to reach out to the facilitators when in need of academic support to ease your learning.

2 Am I eligible to apply if my Bachelor's degree is not relevant to the field of study I am interested in?
Yes, however, a bridging module is required for students who are not from a degree in the relevant field. If you require additional information, use the chat function and our education counsellor will assist you.

3 Am I eligible for scholarships?
Yes, Taylor's University scholarships are available for selected students. Please visit our website for further information.

4 Can I switch from a 100% online programme to a conventional programme, and must I do so within a certain timeframe?
Yes, transfers are available and subject to credit transfer requirements. Thus, it is advisable to complete the module you are enrolled in before requesting for transfer.

5 How long is a programme term?
The programme term is 8 weeks long, including 1 week of induction to be briefed on the module you are about to take, 6 learning weeks and 1 week for the preparation of the final assessment and a summary of the learning throughout the module.

Frequently Asked Questions

FAQ

6 Is it compulsory to attend the weekly live session?
No, attendance is not compulsory as all live sessions are recorded and made available on the platform. However, it is to your advantage to attend the live session as you will have the opportunity to connect with your lecturers.

7 How are examinations conducted?
Students are assessed through the completion of several assignments. A module commonly includes three assessments that can be completed at home and uploaded on the learning platform by the submission date.

8 How is a programme conducted and how do I know if I am learning effectively?
The weekly content you will be required to go through includes bite-sized activities designed to help you check if you have correctly acquired and understood the intended learning. The online activities take a few minutes to complete, and help you progress confidently from one topic to another.

9 Are the 100% Online Postgraduate Programmes by Taylor's University in Malaysia recognised by employers worldwide?
Yes, as a leading global institution Taylor's is ranked among the World Top 1% in Employer Reputation. Taylor's University retains its position as Malaysia's leading private university in the QS Graduate Employability Rankings 2022, ranking 16th in the world for the Graduate Employment Rate indicator.

10 Can I study Taylor's 100% Online Postgraduate Programmes from anywhere in the world?
Yes, to date we welcome students from more than 40 countries and look forward to welcoming more nationalities to join Taylor's University.
