

Important Notes:

1. The above are approximate figures and serves only as a guideline. Fees per semester may vary and additional fees may be applicable depending on the total credit hours and modules registered (depends on programme).
2. All tuition and ancillary fees are subjected to annual increases and may vary due to inflation, currency exchange rates, operational costs, levies and other non-standard charges. The University reserves the right to make the necessary changes to the fee schedule to sustain the quality of education and services as it deems fit. While all changes will be communicated on a best effort basis, the University may occasionally need to amend the fee schedule without guaranteed prior notice.
3. Students are required to make full payment of semester / term fees upon enrolment or 2 weeks before the commencement of the semester (new and returning students). Payment is based on the number of module(s) registered. Non-registration of module(s) and non-payment of fees in accordance to the deadline shall result in the student being disallowed to enroll in that semester and shall be automatically deferred to the following semester.
4. The enrolment fee is strictly non-refundable except in the event student cannot be accepted due to non-fulfilment of minimum entry requirements (this does not include provisional/ conditional offer). Students who withdraw on their own accord will be liable to pay an administrative fee.

5. **Strictly no cash payment will be allowed for invoice value above RM500, with the exception of enrolment fees.**
