Introduction

Taylor's Pay is an online payment service available on Campus Central Portal and the Taylor's Mobile app that allows you to make real-time payments for your fees using your **credit card, Maybank EzyPay, current or saving accounts** in any of the participating banks¹. Taylor's Pay seamlessly integrates with iPay88, an award-winning payment gateway service provider, to enable secure and fast payment processing, coupled with immediate notifications via email and online receipt².

Taylor's Pay allows you to pay from anywhere, anytime via your own internet banking bank account, with no registration required for the service. The service is available 24 hours daily for majority of participating banks at no additional cost to you. Your financial details are securely encrypted and never shared.

Taylor's Pay can be accessed via Campus Central Portal and the Taylor's Mobile app. This user guide provides step-by-step instructions on using Taylor's Pay on Campus Central and Taylor's Mobile.

Notes:

Taylor's Pay uses iPay88, a PCI Data Security Standard and Malaysia Payment System Act compliant company, as the payment gateway service provider (www.ipay88.com).
2. Upon successful payment, your statement of accounts would be updated and payment receipt generated within two hours. You may view these on the Campus Central Portal or Taylor's Mobile.
